COVER SONGS:

We also perform shows of familiar and unique cover songs - mostly classic rock from the '60's to '90's with some newer tunes as well.

A few of the artists we cover include America, Keane, Pink Floyd, Supertramp, Creedence, Neil Young, Stevie Wonder, The Fixx, Beatles, Tom Petty, REM, INXS, and many others.

THE LIVE SHOW:

We have the versatility to perform at venues from coffee shops to concert halls and everything in-between. As well as playing familiar songs, we can also play all-original shows.

We strive to re-create great songs of the past along with our own music, and to provide a fun and entertaining show. We can provide up to 5 hours of music.

EverAfter has performed several shows around Puget Sound including Club Hollywood Casino, Wild Vine Bistro, Central Tavern, The Rainbow, Old Peculiar Irish Pub, Starbucks Coffee House, Ballard Firehouse, Parkers Casino & Nightclub, Larry's Greenfront Café, Off Ramp, Crossroads Mall and several others.
